

# BATTERY-POWERED DIGITAL PRESSURE GAUGES

**Series:** BP

**Models:** BPDPG

## Outline

The BPDPG Battery-Powered Digital Pressure Gauges with 0.50% full scale accuracy provides the maximum requirements for accuracy on industrial applications. 4 digits yellow backlit LCD makes BPDPG easy to read. The BPDPG was built for the applications which the cost for digital solutions is highly concerned.

BPDPG

## Features

### NOMINAL DIAMETERS (inch)

2 1/2

### CASE

Plastic with Rubber Protector

### DISPLAY

4-digit Backlit LCD

### POWER

9V Battery, Auto Power-Off

### ACCURACY

0.50% of Span (F.S.)

### CONNECTION THREAD

SS316 1/4" NPT

### PEAK-HOLD FUNCTION

Standard

### ENGINEERING UNITS

PSI, BAR, KPA, MPA, etc.

## Typical Applications

Display as an Indicator

Pumps

Hydraulic & Pneumatic Industries

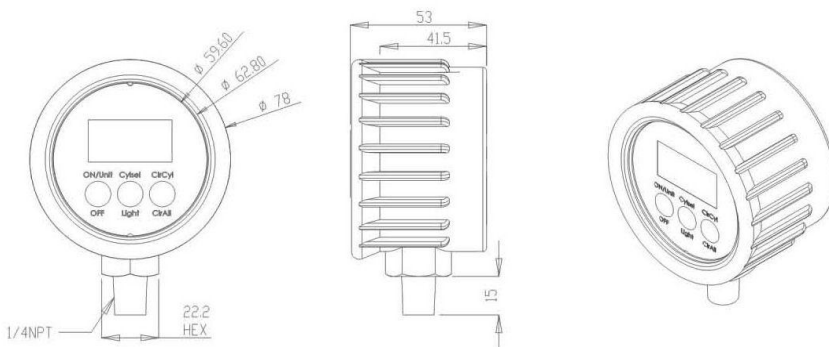

Compressors

Flow & Waste Water

Agriculture Industries

General Industries

## Dimensions

## Options & Accessories

Chrome or Nickel-Plated Connections

Valves, Diaphragm Seals

Other Fitting Adaptors

Rubber Protective Cap Included
