1. UI

- A) **User Admin Account:** You can create “User Admin” accounts for your customers here. Your customers can use the “User Admin” accounts you created to create more sub-accounts, such as General User, Visitor, or Maintenance Person”, in their “User Admin” accounts.
- B) **Fire Extinguishers:** List of all fire extinguishers of all your customers. You can search by an Extinguisher ID for a specific extinguisher, or an Organization Name to list all extinguishers that belong to a specific Organization. Type a Building Name to search and list all extinguishers that belong to a specific Building. Also, User Admin Account Name and User Name searches are available to search all extinguishers under a User Admin account/user.
